

INDEMNITY

Whereas _____ has applied to the eThekweni Municipality for permission to conduct research at the Newlands Mashu Research Site.

And whereas the eThekweni Municipality is prepared to grant its consent to such on the condition that _____ indemnifies the eThekweni Municipality against any claim for damages or loss resulting from damage to any property, or the injury of, or death of any person while in the confines of the Newlands Mashu Research Site in terms of this permission.

Now therefore I, _____ hereby indemnify and hold eThekweni Municipality harmless against:-

- i) Any damage to eThekweni Municipality's property, whether movable or immovable, including any consequential damage directly flowing from physical damage of such property;
- ii) Liability in respect of any claim which may be made against the eThekweni Municipality arising out of damage to property, whether movable or immovable of any third parties, including any consequential damage directly or indirectly flowing physical damage to such property;
- iii) Liability in respect of the death or injury to any person, including a servant of the eThekweni Municipality;
- iv) Any legal costs or expenses reasonably incurred in connection with such claims, or arising out of the foregoing; which damage, loss or injury is caused or sustained whilst such persons are present within the confines of the Newlands Mashu Research Site.
