

The University of KwaZulu-Natal (UKZN) is committed to Employment Equity with the intention to promote representivity within the Institution.

COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**GENERAL ASSISTANT
(PEROMNES GRADE 15)
ONE-YEAR FIXED-TERM APPOINTMENT
POLLUTION RESEARCH GROUP
SCHOOL OF ENGINEERING
HOWARD COLLEGE CAMPUS**

REF NO.: PRG4/2017

The Pollution Research Group (PRG) in the School of Engineering is an externally-funded team of professional researchers working on multidisciplinary research projects in the urban and industrial water and sanitation sector.

The Pollution Research Group currently holds a grant from the Bill & Melinda Gates Foundation to provide laboratory and field testing support to other grantees working on sanitation solutions. During 2017, four reinvented toilet prototypes will undergo engineering testing in Durban. Due to the level of support particularly required for this upcoming Engineering Field Testing platform (EFT), PRG are looking to recruit a General Assistant to assist their workshop and laboratory team.

The successful candidate will report to the Principle Technicians of the PRG Workshop and Laboratory.

Minimum Requirements:

- Matric
- One year experience

Knowledge:

- Physical strength is needed for moving/carrying of heavy equipment.
- Ability to use small hand or power tools.
- Gas and arc-welding ability.
- Unendorsed Code 08 Driver's license.

Short-listed candidates may be required to undergo a skills test.

The annual fund salary is R84,300. A medical aid and provident fund subsidy are offered. The package includes a 13th cheque on top of the fund salary.

Appointment to this post will be on the January 2012 Conditions of Service.

The closing date for receipt of applications is 31 May 2017.

Applicants are required to complete the relevant application form, which is available on the vacancies page of the University website at <http://vacancies.ukzn.ac.za/Home.aspx>

Please send completed forms ONLY (i.e. no CVs) to Kerry Philp philpk@ukzn.ac.za.
